La Casa Mexican Restaurant

Formerly La Casita was reborn in July 2008

Tony Gallegos first started serving Mexican food in Swindon in 1997 from a small takeaway outlet in the Brunel Centre. He then moved the business to 6 Devizes road in 1999 and began full restaurant service there. This proved to be very popular and over the years became one of the most popular restaurants in Old Town. In 2004 Tony sold the restaurant to his manager at the time to pursue other interests. He bought the business back in June 2008 and has re-launched the restaurant as "La Casa" with all of his original family recipes.

Tony grew up in southern Colorado and New Mexico USA and his recipes reflect the ingredients and Hispanic culture that are unique to that area. All our dishes are made fresh in-house daily and with organic or locally produced ingredients wherever possible. Because we make everything in-house, there are times when some menu items won't be available.

Steve O is the restaurant manager and John S is the head chef
Please leave any comments in our guest book and feel free to contact Tony, Steve or John directly by telephone or email.
